

# Best Practices for Working with a Nephrology Recruitment

**Nephrology USA** provides Physician Recruiting & Employment Opportunities for practitioners and job seekers. We aim to enhance the profit of our clients with accurate and well-researched information on [Physician Nephrology Jobs](#) to candidates seeking positions.

Our physician recruiting services allow you to find the most suitable person as an associate to join your practice. We always fulfill your search requirements exactly as promised by us. Each contract is custom designed to meet your needs. We also take into account the performance standards by which our client satisfaction is judged.

The advertisement features a smiling male doctor in a white lab coat and red tie, giving a thumbs-up. The background is a blue-toned anatomical illustration of the human urinary system, including the kidneys and ureters. At the top left, the logo reads 'nephrologyusa' with 'usa' in red, and below it, 'Experts in Recruiting Nephrologists for over 35 Years'. At the top right, the website 'nephrologyusa.com' is listed above the text 'TOLL FREE (800) 367-3218'. Two blue banners with white text are overlaid on the image: 'STAFF PHYSICIAN RECRUITMENT SERVICES' and 'NEPHROLOGY RECRUITING SERVICES'.

[Staff Physician Recruitment Services](#) is just a part of what we offer. We can design a compensation plan and benefits package that will bring economic benefits to you. Our firm helps you create a partnership agreement that will be beneficial for everyone and help you retain your new associates.

**Martin Osinski**, the President of our company, has been voted President of the National Association of Physician Recruiters twice. He served on their Board for fifteen years and on their Ethics Committee also for 15 years. His books have been published over the years in publications such as the Nephrology News & Issues, Renal Business Today, and more. Currently, he is a member of the Editorial Advisory Board for Nephrology News & Issues.

We continuously strive to develop creative, high-quality services that meet our client's needs within the ever-changing healthcare arena. We conduct our business in the most ethical manner at all times. Client and Candidate satisfaction is the driving force behind all business decisions. We assist in scheduling and preparing for candidate visits. We follow up regularly with physicians who practice assuring a smooth transition.
